

“An open letter to the property owners in the Audubon Hills Community Service District “

As you know, there have been some major changes to the CSD board. I speak for the whole board when I say “thank you” for your support.

During this time of transition there has been a breakdown in communication. Correspondence and documentations were not passed from the former board to the current board. Because of this oversight we were not informed of the filing period to place the special tax of \$75, approved by the registered voters in the Audubon Hills CSD on the property tax statement. With the help of the Auditor Controller’s office, we were able to get a special tax bill sent out to the parcels in this district.

This process will cost the CSD an additional processing charge. We apologize for any inconvenience this may cause you. It is our goal to develop an annual calendar of events and important dates so future boards will know when things have to be done.

If you have any questions, please call me at 644-4153, or email at President@AudubonHillsCSD.org.

Thank you for your cooperation,
Gene Blackmun
President AHCS
